

JOINT FILL COVERAGE

This technical bulletin contains VersaFlex's recommendations for the average coverage rates for our SL Series and Aliphatic Joint Sealant joint filler / sealant materials. These are typical coverage rates that can be expected in the field.

JOINT FILL COVERAGE

Note: These recommendations contain a 10% deduction pre-calculated for waste and overfill.

Joint Fill Linear Feet Per Gallon

INCHES	1/8	3/16	1/4	3/8	1/2	3/4	1
